

## Safe Touch Policy

Teaching dance is a physical activity and a teacher will sometimes need to make physical contact with a dancer to show an idea or to correct the dancer's position. This can include:

- Lifting
- Adjusting arms, legs, rib cage, hips, feet, hands
- Moving one dancer in relation to another

Where contact is needed, we will remain sensitive to the dancer's wishes and put their welfare first. We will seek consent from the dancer before making contact.

Dancers and parents/guardians are encouraged to discuss any worries with company principal Nicole Ferris
